Introductory Bible Correspondence Course

Dear Bible Correspondence Course Student,

Thank-you for your interest in the Bible Correspondence Course. We hope you will enjoy the lessons! The Canadian Lord's Day Association (CLDA), which publishes the Daily Diary you may have in your pocket, prepared this course for people like you who want to learn more about the Bible. Many students have already received their graduation certificate from this course. Others are progressing well through their studies. Our markers enjoy receiving your mail.

The Bible Correspondence Course covers the main truths of the Bible in twenty-five lessons. Each lesson begins with reading a passage of Scripture. Then follows some explanation of the lesson theme and questions to answer. The blanks to be filled in are designed for the Authorized King James Version of the Bible. If you do not have a copy of this version of the Bible, please request one from the CLDA through your chaplain.

The course will be sent to you in packets of four lessons at a time. After you have completed a packet of four lessons, mail it to the CLDA in the postage-paid envelope provided. We will mark the lessons and then send you the next four lessons.

When you are finished all twenty-five lessons, you will receive a certificate and a paperback book.

These courses are provided to you free of charge due to the generosity of those who desire you to be blessed by God's precious Word.

Sincerely,

The Prison Ministry Committee of the CLDA
